Clinical Solutions™ **C + Resveratrol Line-Reducer**

Boost line & wrinkle reduction with this solution-specific skin care booster!

In this potent dermocosmetic booster, clinically-proven, highly-concentrated ingredients specifically target line and wrinkle reduction. Vitamin C, resveratrol and a skin-restoring peptide work together to smooth wrinkles and increase the skin's natural production of collagen and elastin.

Use 2x/day after cleansing & toning. Use 6-8 drops & pat onto face & neck.
**If using CS Retinol 0.5, use booster only in the morning during the retinolization process. After the process, it can be used @ night, but apply BEFORE using the Retinol O.5.*
