ONCE UPON A TIME...

Once Upon A Time...an attractive, ambitious woman went into a beautiful store that has a reputation for excellent quality merchandise. She said to the owner,
“Sir, I would like to work for you. I will work hard, I will do a great job, and in return I would like the following:

1st...*for everything I sell, I want to keep 50% commission!*

2nd...*I will find other sharp people to sell for you, but I want to be paid commission on everything they do, say 13%!*

3rd...*I want to work my own hours so that sometimes I can work a lot and sometimes I can just take time off!*

4th...*After 4 months, I would like the use of a car and I really prefer something elegant and rich! By the way, I want it to be FREE...and of course, you would need to pay the registration and insurance!*

5th...*My family must come first regardless of any other appointments!*

6th...*When I sell, I want ample recognition...not dumb little things like hams and turkeys. I mean luxury trips and dazzling diamonds!*

Last...*I want to promote myself into management entirely through my own efforts! Can you give me these things?”*

The store owner was in shock! After he was revived, he began to roar in condescending laughter. Then he said, *“Lady, you can’t be serious...you’re living in a dream world! You can’t find that kind of opportunity anywhere!”* But little did he know that there IS an opportunity like that, and we have it in Mary Kay. We DO live in a dream world & the difference is our dreams DO come true. Why not let us help you make your dreams come true!

Where do YOU want to be in 2 years?

Give us a try...you’ll never know until you do!!!
