

Ladies Night

We are so excited to provide you with an opportunity to enhance your customer service experience for your patrons! We have been working with area restaurants hosting customer appreciation Ladies events. As a thank you to your customers for visiting your restaurant, we offer the ladies a beautiful rose and an opportunity to enter to win a free gift basket or gift certificate. The service is totally free for you! It creates a great customer appreciation experience for your customers, and a great networking opportunity for our business. We've had overwhelming success in other local restaurants and we have seen an added appreciation and satisfaction in their customers as well.

We will be in touch for a date and time that is convenient for you. Should you need further information, please feel free to contact me at your convenience. We look forward to working with you!

Sincerely,
