TIPS TO KNOW!

1. Make sure to have the right lighting! Lighting is important!

2. Make sure your WIFI connection is good. If you live in rural areas, WIFI doesn't work at its full capacity during storms or when it is dark.

3. Personalize it! Be YOU! People love the REAL DEAL. Don't feel pressured into needing to make it perfect! It's okay if your kids run up during your video or the dog barks! That is REAL LIFE!

4. SHARE! We are in a temporary season where we need all hands on deck! If you have an idea that is working, share with your unit, and your director friends. Together, we are better!

FB Wall Post

- 1.** Friends! We all know the importance of supporting small businesses in this season. And we also know we have people stir crazy at home! Any chance you could post this to your wall and tag me? (You could even say, "I'll give you a free _____ in your mailer, if so!")

I'm participating in this online event and they still have spots for a few more people. I'm excited about it! Anyone else interested? Looking for participants for an online study who would like to look ageless using an anti-aging skincare line. All qualified participants will receive a variety of skin care products in the mail to use from home and provide feedback. Post below if you'd like more details.

I'll add you to the Facebook group called "Name of Group" and tag you in a few of the posts, so let me know once you accept my invite into the group! Then, I'll tag you in the products I'll be sending to you so you can check them out ahead of time!

THEN ADD THEM TO THE GROUP!!

- 2.** Respond to every single comment and let them know that you are sending them a private message with details and sending them a friend request! This is critical. Otherwise, the message will go into their "others" folder and they will never see it, nor will you be able to add them to your event! They need to be expecting to hear from you

PRO TIPS

We ALWAYS check to see if someone has a consultant who services them.

We NEVER sell to someone who has a consultant.

We ALWAYS do the right thing.

We NEVER recruit someone who has a consultant.

When you get a re-order

When you get a reorder, consider using this time as the perfect situation to turn that order into a virtual appointment!

REMINDER! With every CDS order, you get to add (2) FREE samplers with every order.

Scripts:

"Hey Kim! Thank you so much for your re-order! I'm on a mission to make women feel pampered during this season we are in and I'm offering virtual sessions with all of my customers. Would you like me to add a complimentary Miracle Set sample and your choice of one of the following: a Microdermabrasion, Detoxifying Charcoal Mask or a Glycolic Facial Peel to your order?"

(Wait for her response)

Would a Saturday evening or Monday afternoon work best for you to Facetime with me?

The screenshot shows a mobile app interface for Mary Kay. At the top, the status bar shows the time 12:13 and LTE signal. The address bar displays 'applications.marykaintouch.com'. Below the address bar, the 'Products' section is visible. A 'Product Catalog' search bar is active with the text 'Remover'. To the right of the search bar is a magnifying glass icon and a 'reset search' button. Below the search bar, the 'Category' dropdown is set to 'All Categories'. Underneath, the 'CDS Samplers' section shows a dropdown menu with '--Select CDS Samplers--'. Below this, a 'Suggested' section displays a product card for 'Part # 029726', 'Name Mary Kay® Oil-Free Eye Makeup Remover 3.75 fl. oz.', and a 'Suggested' label. At the bottom of the screen, there are three buttons: '--Select CDS Samplers--', 'No Cost', and 'Paid'. A 'Done' button is located in the top right corner of the product catalog section.

It is on _____ at 8pm. Would you be interested in participating?! Let me know, there will be fun, prizes, education and fun girlfriend time!

Step 3

Start Posting "teasers" on the FB event.

Tag a girlfriend that LOVES beauty and skincare- invite her to join us!

Post a GIF in the comments about how excited you are for the event!

What is your one MUST have beauty product?

Let them know that every comment gets entered to win!

Step 4

Have your scripts pulled up (see resource page) and ready to copy and paste!

Step 5

PARTY TIME! Post in order and make sure you are interacting and commenting with guests as they are watching the videos.

Working with Samples

A SUMMARY @NSDBLISS

Step 1

PREP. Order samples from the company of: Timewise Miracle Set, Charcoal Mask and Microdermabrasion. Order organza bags and mailers. Print the "What you need to get ready sheet" from Laurie Plyler. (Resource Page) OPTIONAL: If you would like to include a closing sheet and starter kit flier in your packet, print those as well.

Step 2

BOOK the appointments! See detailed booking scripts in pages to follow if you need them! Make sure to decide here if you want to charge shipping (Laurie's suggestion is \$5 per bubble pack mailed)

Step 3

Create an event on Facebook for each hostess!

Step 4

Create Google Doc for hostess and guests to collect information.

Step 5

Interact daily with the event, tag the guests, get them excited!

Step 6

Conduct your event just like you would a skincare class! Be excited, interact a lot, ask questions, tell them their interactions and comments are getting them entered to win product!!! Encourage customers to comment with "Microderm -SOLD!" when they are interested in taking a product home, then you can invoice them for the products they wanted! (You can send invoices through Venmo, Paypal, or Propay.)

Step 7

Do a table close like you normally would! Have people comment with what they are interested in etc. Treat it like a normal appointment!

Step 8

Ask each guest that is interested in taking product home if you can have a 3 minute phone call to finalize their invoice.

OPENING THE PARTY

@NSDBLISS

Script

Hey friends!! Welcome to our virtual beauty experience! I am so excited to hang out with you gals tonight! Let's do some introductions! Comment with one fun fact about you! My name is _____ and my fun fact is _____.

Let me tell you a little bit about what we will be doing tonight! You should have your sample packs ready to go! A cloth, a bowl of water is also necessary :) grab those now if you haven't already!

We will be going over an amazing treatment! Your skin is going to feel AMAZING and CHANGED when we are done! A deep pore cleanse, a microdermabrasion treatment for an exfoliation, a charcoal mask to detox and some moisturizers and eye cream! Are you ready?!

I am going to be giving away some goodies as we go along tonight, every comment I see is an entry for a giveaway! So comment away and interact with me so we can have a great time and you can win some freebies!!

Before we officially dive in let me tell you a little bit about MK.....(do something like your 5 favorite facts about MK, or a personal testimony of your experience with the products).

PRO TIPS:

If you need to see a VISUAL of this rollout, click here for Lily's video of the Facebook party Open, Body, and Close.

[CLICK HERE](#)

During the party, one effective way to get the sale is to coach your guests to comment "SOLD- MICRODERM" (or whatever the product is) during the Live if they know they want something. Then, you can immediately following the event, you can text or Facebook message her with an invoice that you can create in paypal, venmo, or propay.

EXECUTION OF THE PARTY

1. DO THE NORMAL THING.

Pro Tip: Demo the products on your face whether they have samples or not. This is going to make for a more engaging session! When doing the charcoal mask, the wait time would be the perfect opportunity to tell "Your Mary Kay Story."

Remember to say, "Questions and comments get you tickets!"

- **What you thought about MK before you signed your beauty agreement**
- **Why you chose to get started**
- **How the MK opportunity has impacted you**
- **Some of the ways you've seen it impact others**
- **The tribe/sisterhood**

CLOSING OUT THE PARTY

(Go over and POST what you would normally use as a closing sheet.)

Ask them to comment - "SOLD" on what items or sets they would like"

Thank you all so much for joining me today! I'm going to go back through the comments and will be creating your invoices to text to you. Remember that you can buy with confidence because Mary Kay always offers a 100% guarantee. That's one of the many reasons women LOVE our brand!

I will be personally reaching out to each of you to find out how your experience was, so if you have questions or need more information, I'd be happy to discuss when we chat!

FOLLOW UP & CLOSE OF THE SALE

The follow up you have will be different than an at home party. You are now fighting for their attention as they tend to their home, kids and life.

Hi! Thanks so much for being part of the event! Okay, I just need to get your feedback!
1. Thank you for coming, did you have fun? 2. How does your face feel? There's really a difference isn't there? 3. Was this virtual format fun to do from home? As a participant tonight, you will get a gift with any purchase of a set. (insert your gift) Take a look at our set sheet... If everything was free tonight what would you take?

PRO TIP: it may take following up three or four times over the course of the next 4 days to figure out her order. Be patient and check back in several times.

Your ultimate goal is to get her to say one of three things:

1. I want to order.
2. I want to join your team.
3. I'm not interested in anything.

You must be assertive and check back in. Set calendar appointments with them to check back in because again, they will be distracted but they are interested. Your job is to be a Professional Reminder. Be assertive. Not pushy. There is a difference.

AFTER PARTY TIPS

FACEBOOK REFERRAL SCRIPT: She posts on her Facebook wall. Ask her to tag you.

All qualified participants will receive a variety of anti-aging products in the mail delivered to your door to try. All you have to do is give your honest feedback about the products Go ahead :-)
I know you want to drop that comment. :-) ↓↓
