## HAPPY HOUR OUTLINE CONTINUED

- **Oil Free Eye Makeup Remover Demo with Black Eyeliner:** Draw a heart on your hand with Mary Kay Eyeliner and remove with the OFEMR. For my girls who don't wear eye makeup - think of this as a 2-in-1 Shampoo for your eyelashes to keep the bacteria away. For my girls who do wear makeup - The top phase removes waterproof eye makeup, and the bottom phase removes non-waterproof eye makeup. Shake well for maximum effectiveness. Best part: it does not leave skin feeling oily.
- **TimeWise Repair Skin Care Set Notes:**
  - Read the next page (with steps 1-4) or the notes below ....
- **Foaming Cleanser: Revitalizes, renews, maintains moisture balance.**
  - When washing your face, use your hand, a wash cloth or the Skinvigate Sonic brush.
    - Do you remember growing up and staying at your cousin's house and forgetting your toothbrush? So you brush your teeth with your finger. Doesn't work the same, right?
    - {Have the Skinvigate Sonic Brush in your hand.} That's why you need the Skinvigate Sonic Brush, because washing with your face with your hands does not get your skin deep clean. I love my Skinvigate brush and so does my skin.
- **Lifting Serum:** Be Honest who here has worn Spanx? Who would love Spanx for your face?
  - Lifting serum is just that - Spanx for your face. Tightens the appearance of sagging skin & gives facial contours a firmer look. Use serum with the massage head for Neck-Tech-Support.
- **Day Cream Sunscreen Broad Spectrum with SPF 30:** The same way your body needs water to stay hydrated, it's the same way your face needs moisturizer to keep it properly hydrated all while providing anti-aging benefits to your beautiful face with UVA/UVB protection.
- **Night Treatment with Retinol:** Helps improve the advanced signs of aging, helps reveal radiant-looking skin and skin tone appears more even. Now you may ask, why do I need to moisturize a night? The body is at rest, it's the best time to pamper your skin. Think of this as tiny little people ironing out your wrinkles while you sleep.
- **Eye Renewal Cream:** Targets deep lines, sagging skin, under-eye puffiness & dark circles. No need to use your finger with the customized applicator tip made of ZAMAC (zinc, alloy, magnesium, aluminum & copper) designed to stimulate circulation & reduce puffiness. Features a unique liquid crystal delivery system that enhances effectiveness so you see faster results.
- **Routine Recap:**
  - Day Routine: Cleanser / Serum / Day Cream / Eye Cream
  - Night Routine: Cleanser / Serum / Night Cream / Eye Cream
