## FOR A QUICK CLEANSE

Gently cleanse and refresh skin when you're on the go or in a rush. Attract impurities with a few soft swipes of a saturated cotton ball or pad. No rinsing required!

◆ **TIP!** ◆ Follow with toner as a post-cleansing prep step before the rest of your routine.

## FOR ULTRACLEAN SKIN

Pair your favorite *Mary Kay®* cleanser with *Mary Kay®* Micellar Water for a customized double cleanse.

### STEP 1 **MARYKAY® MICELLAR WATER**

Gently break down **face** makeup, oil and other daily debris.

### STEP 2 **MARYKAY® CLEANSER**

Use a skin type-specific cleanser to target individual needs and rinse skin clean.

◆ **TIP!** ◆ Use *Mary Kay®* Oil-Free Eye Makeup Remover first to remove your **eye** makeup.

### DID YOU KNOW?

Micellar water is made with purified water and low concentrations of mild surfactants. The surfactants group together forming tiny spheres called micelles. Micelles love impurities and act like magnets to attract the buildup of the day – or night – away from skin.
