**LOOK AT YOU!**

Mask your way to refreshed and hydrated skin at home or on the go. Each single-serving, airtight pouch keeps the gel essence separate from the dry sheet mask until you're ready to use it. The gel essence is filled with skin-conditioning ingredients known to moisturize and soften skin. And since it's packaged separately from the dry mask, you can create a fun and easy hydration experience whenever you're ready to be pampered.

#### APPLICATION TIPS

Simply fold the pouch to break the inner seal, then squeeze the gel essence and massage it into the sheet mask. Apply the mask onto your face and relax.
