STEP ONE: CLEANSE

Cleanse your face as you normally would, rinse and pat dry.

STEP TWO: APPLY THE MASK

Remove the mask from its package and unfold. The mask is between two mesh layers. Remove one layer and apply the exposed mask to the forehead, positioning and smoothing onto the nose, cheeks, chin. The eye flaps may be left folded back or gently rested on closed eyes. Gently smooth the mask so that it is completely fitted against the skin and positioned properly over the face. Finally, remove the second layer of mesh.

Bonus tip: got any of the fluid left inside the package? Don't let it go to waste! Squeeze out that fluid and apply to your neck or the backs of your hands!

STEP THREE: RELAX!

Let the mask soak into your skin while you relax for 20 to 30 minutes. Remove and discard the mask, Gently pat into your skin any fluid left from the mask, do not rinse

STEP FOUR: FINISH YOUR ROUTINE

Continue with your skincare routine, including serums and moisturizers, as you normally would. Use this mask twice a week for 2 weeks, or whenever you need to treat your skin to the ultimate renewal!

Soft of Solution is a Bich and a second

Bio-cellulose is a pure, plant-based material derived from cocorrut water. Its interlocking fibers form a highly absorbent, three-dimensional "fabric," allowing the mask to be generously infused with a complex of beneficial ingredients. This complex includes oat kernel extract, orchid extract and sodium hyaluronate, known for its skin-conditioning benefits.

The TimeWise Repair® Lifting Bio-Cellulose Mask is an exciting addition to the TimeWise Repair® regimen that leaves it visibly more radiant after the very first use.*

After just two weeks, the majority of women + who tried the mask agreed that skin looked lifted, firmed, younger-looking, and more luminous. After four weeks, a majority of women + agreed that the appearance of fine lines and wrinkles was reduced!

* Results based on a four-week independent consumer study of 300 women who used the mask twice a week.
