#### Clinical Solutions<sup>™</sup> Ferulic + Niacinamide Brightener

### Target dark spots with a fantastic solution-specific booster!

This trio of proven ingredients, ferulic acid, niacinamide and navy bean extract, works in multiple pathways to reduce uneven skin tone, decrease skin discoloration and boost your skin's overall brightness!

Use 2x per day, after cleansing & toning. Simply squeeze 4-8 drops into your hands & apply in patting motion to face & neck, avoiding eye area. Can be layered with HA+Ceramide Hydrator—apply Brightener FIRST. Can be used with Retinol 0.5 after retinization process is complete—apply BEFORE Retinol.
