# Mary Kay
## Skin Care Line

The Mary Kay Skin Care Line was designed for first-time skin care users. There are no anti-aging ingredients in it. The line features a Mattifying Regimen for combination to oily skin and a Hydrating Regimen for normal to dry skin.

## Healthy Skin Your Way

### Get ready for a simple start to skin care.

- **Cleanse, exfoliate, tone and moisturize to maintain clean, healthy skin.**
  - Designed for either **normal to dry** or **combination to oily skin**, based on chosen formulas.
  - **Fragrance-free** and **dermatologist-tested**.
  - Choose from **hydrating or mattifying** cleansers and moisturizers.
  - Plus, a **universal scrub and toner** that are suitable for all skin types to build a customized routine for clean, healthy skin.
- **Cleansers** remove impurities and oil so skin feels fresh and soft.
- **Moisturizers** nourish with a nongreasy, lightweight formula that provides skin with necessary daily hydration morning and night.
- **Exfoliating Scrub** helps polish away dead skin cells and unclog pores.
- **Balancing Toner** contains an antioxidant and helps restore skin's balance without drying it out, for healthy, vibrant skin.

## Mary Kay Skin Care Line

### A Simple 4-Step System

Please try these samples in this order

**In the morning and/or evening...**

1. **Cleanse** - Apply to wet face & neck. Add water to increase lather. Rinse thoroughly.
2. **Scrub** - Wet face and hands. Gently massage on face in a circular motion. Avoid Eyes. Rinse with warm water. Pat dry. (This product is used every other day, no more than 3 times per week.)
3. **Tone** - Use soaked cotton pad to apply toner to the face. Avoid the eye area.
4. **Moisturize** -Apply to clean neck and face using upward strokes.

New to the world of skin care and not yet seeing signs of aging? The Mary Kay Skin Care Line was designed with healthy complexions in mind. It's perfect for beginners to build an obsession-worthy routine.
