THE “WHY” BEHIND 5 PARTIES

Holding 5 parties within 30 days as a New Consultant gives you the skills and knowledge you need to build a client base and team effectively. Your overarching goal is to form a solid foundation for your business that can lead to long-term success. Through each party you will build **confidence**, learn through **repetition**, gain **experience**, and turn leads into bookings.

I will be here every step of the way to encourage and support you.

After each party, we'll talk about what went right and what we can tweak for next time. I can't wait to celebrate you and your success!

POST-PARTY REFLECTION

What did you enjoy the most?

How many future bookings did you secure?

How many new skin care clients did you gain?

Which guest is your potential team member and why?

What do you feel you need to work on?

I'm so proud of you and your willingness to LEARN and GROW! Please send a pic of your completed sheet to me so we can brainstorm on strategies before your next party.
