

Express Your True Traits.

- Celebrate Your
 Confidence. Draw
 others in with top notes
 of Mandarin, Bergamot
 and juicy notes of Pear.
- Be Unapologetically
 Feminine. Beauty takes
 full bloom with middle
 notes of Jasmine,
 Cassis Bud and Rose.
- Make a Statement.
 Leave an enduring
 impression with bottom
 notes of Warm Amber,
 Sandalwood and
 Vanilla.

"Mary Kay Confidently You™ is for a woman who is not afraid to be the center of attention. I wanted to blend rich florals to showcase her femininity, while the warm, creamy notes evoke the empowered woman who is fearless and undaunted in showing off her success." – Michelle DeFina, Perfumer

PRODUCT FACT SHEET Mary Kay Confidently You™ Eau de Parfum

Some days call for making a statement. An opportunity to leave an enduring impression that draws others in. You know being unapologetically feminine makes you stronger, and you want to show the world how empowering it is to be comfortable in your own skin. Dressed up or dressed down, you convey a confidence that's contagious. Surround yourself with an inspiring scent that captures the essence of undeniable femininity.

About the Perfumer, Michelle DeFina:

Meet Michelle DeFina, the mastermind behind Mary Kay Confidently You™ Eau de Parfum. Raised in a suburb near New York City, Michelle's fragrance creations are inspired by her love for nature and urban energy. With more than 20 years of experience in technical perfumery, Michelle's passion for the outdoors and the ocean's scent, reminiscent of summer vacations at the Jersey Shore, shines through in her work. She says, "I get inspiration from various sources …, nature, visuals, travel, food, art …, The world inspires me."

The Design:

Mary Kay Confidently You™ Eau de Parfum features a simple yet classic design that conveys subtle sophistication. Its beautifully balanced rosy-hued bottle, topped with a modern black gem-shaped cap, perfectly complements the scent's empowered femininity.

Use-Up Rate:

Time will vary depending on individual usage, reapplication needs and areas of use.
