# five shades
# eight benefits
# one step

## protects

Formulated with a broad spectrum SPF 15* to protect from damaging UVA and UVB rays.

## brightens

Instantly amplifies skin luminosity and brightens the complexion.

## corrects with lightweight coverage

Mineral-based pigments help correct the look of imperfections and improve your overall complexion with lightweight coverage that doesn't give that "made-up" appearance.

## minimizes redness

Provides visible relief and minimizes the appearance of skin redness. It's formulated with vitamin E and a botanical extract to help calm and soothe skin.

*Over-the-counter drug product

## conceals

Instantly conceals the appearance of blemishes and helps fade the look of marks from past breakouts. Non-comedogenic and oil-free, it's perfect for acne-prone and troubled skin. The lightweight formula also conceals dark circles and dark shadows.

## hydrates

Skin feels instantly hydrated and stays hydrated for up to 10 hours. Formulated with emollients that help hydrate skin, CC Cream provides nourishing comfort without feeling oily or greasy.

## reduces visible signs of aging

It doesn't settle into fine lines and pores, so you're left with a smooth-feeling, flawless-looking complexion.

## defends

Contains antioxidants to help defend against skin-damaging free radicals.
