STEP 1 *shea sugar scrub*

Relax and enjoy this revitalizing lip-scrub experience. Shea Sugar Scrub exfoliates with natural sugar crystals to gently polish lips to perfection. Blended with luscious shea butter, the scrub leaves lips feeling soft, smooth and conditioned. This expertly formulated scrub also includes sunflower oil, known to be rich in the antioxidant Vitamin E. Gently massage this confection onto lips, allow to sit for 1-2 minutes, then wipe away or rinse. Lip texture is immediately improved and lips are left looking revitalized.

STEP 2 *shea butter balm*

Once Shea Sugar Scrub has worked its magic, pamper your lips with a kiss of nourishment. Shea Butter Balm is formulated to leave lips feeling satiny smooth and deeply moisturized. Watch dryness melt away as a mix of shea and jojoba butters comforts and soothes lips. Shea butter, known to be rich in antioxidants Vitamins A and E, helps skin retain moisture. And jojoba butter is known to mimic oils that are naturally produced by our body, helping to moisten and protect the skin. So it's like giving your lips a double dose of moisture. This hydrating balm is just what thirsty lips crave.

SHEA *goodness*

Used for centuries to protect, enrich and soften skin, shea butter is known to contain omega-3s. Omega-3s are known to help maintain skin's natural moisture barrier, and when skin's barrier is protected, precious moisture is less likely to escape. A perfect ingredient for your everyday spa experience, shea butter wraps skin in creamy hydration bliss.

SATIN *softness*

Satin Lips® sends your pout on a path to paradise for a spa-like treatment anytime, anywhere. Formulated with nourishing shea butter and the fresh flavor of white tea and citrus, these products leave dry, chapped lips behind, delivering moisturizing bliss in two easy steps. Your oasis awaits.

There's a reason why your lips are prone to dryness – they don't have oil glands. In addition, the surface layer is thinner than elsewhere on the face, leaving them more susceptible to peeling and flaking. So show your lips some love with the White Tea & Citrus Satin Lips® Set!
