

FAST-ACTING BARRIER REPAIR IS HERE.

Skin barrier support meets redness relief. Mary Kay Clinical Solutions® Barrier Restore 1:1:3 is clinically shown to start reinforcing the skin barrier, your skin's protective, natural fortress, in just three hours.* Plus, when used twice daily, it is clinically shown to reduce the look of skin redness in as little as two weeks.**

NEW! MARY KAY CLINICAL SOLUTIONS® BARRIER RESTORE 1:1:3, \$46

PROTECTING THE SKIN BARRIER

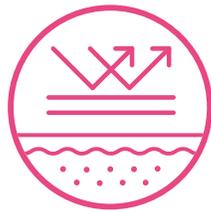

A WEAK SKIN BARRIER

Acts like a net.

Is caused by natural aging, climate, sun overexposure and more.

Leads to redness, dryness, itching, rough texture and overall sensitivity.

A STRONG SKIN BARRIER

Acts like brick wall.

Keeps good things in (critical moisture + nutrients).

Keeps bad things out (pollutants, bacteria + more).

WHY 1:1:3?

Barrier Restore 1:1:3 is powered by Mary Kay's exclusive Barrier Restore Technology, a precise complex of ingredients that mimics the skin barrier's own natural lipid ratio of 1-part fatty acids to 1-part ceramides to 3-parts cholesterol (the good kind). Because these essential lipids can deplete over time, this ratio is critical to replenishing the key components that help keep the skin barrier strong and the skin looking healthy.

Help support skin's natural structure.

Help protect skin barrier from environmental stressors.

Help strengthen skin barrier.

STRONGER SKIN STARTING NOW
